METHOD FOR MEASUREMENT SLEEVE LENGTH

1. Place tape measure centre back of collar
2. Run tape across top of shoulder to shoulder point
3. Re-grip tape to hold at shoulder point
4. Continue measurement down arm
5. Finish at a point a little longer than wrist joint where hand widens

METHOD FOR MEASUREMENT NECK CIRCUMFERENCE

1. Place tape at collar position start end at centre front
2. Grip at overlap but place fingers between tape and (having fingers inside increase circumference from snug to comfortable fit level)
3. Measure off circumference on tape to the next highest centimetre
4. This will be between 37cm - 50cm – our largest neck size
